During reading

Create a story together in 1-2-3 times

1. Explore the book together

Enjoy the images, be amazed by the story and ask each other the basic questions on every page:

- What do you see? What happens?
- How do you see that?
- What else do you see?

2. Questions to talk about together

- Describe what items the girl needs to take care of the dog.
- How come the girl already has the items for the dog?
- How would you feel if you found out that you had to give something back that you really wanted to have yourself?

3. Think together about what the characters feel, think and say

Think about what the girl in the red coat would say to the dog. And what do you think the dog would want to say back?

Learn new words together

We thought of these words as we read the story. Look at the words. They mean the same in Dutch and English, but they are written and pronounced differently.

Now choose one of the English words. Can you find the word in the book? Talk about this word together in your preferred language. What do you know about this word? Name as many words as you can that belong to this word (in your preferred language).

Now think of a word that appears in the book and write it down together in both languages. Name everything you know about this word.
